

Persuade

- What points can be put for and against?
 - What reasons are there for taking a position for or against?
-

First ...

The second reason is ...

I believe we should ...

Only if... will...

You will agree that ... therefore

...

People opposed to that view say

...

If ... it is likely that ...

Some people might say ... but ...

When ... we will ...

If we ... then ...

We demand that ...

On the other hand ...

Because ... , and so we must

Research has shown...

In my view ...

We need ..., consequently ...

Usually ..., however, if ... then

...

... is ..., and that is why ...

Most of us ... and so ...

**If we want ... then we
must ...**

**We all know that ... and so we
should ...**

***One reason why ... therefore
we should...***

An example of this ...

My own feelings about this are ...

Another reason that's good...

**A good point on the other side of
the argument is ...**

It is obvious that ... and so ...

Experts tell us ...

According to ...

In my opinion ...

I think that ... because ...
